

EVENING PARTIES 2025 & 2026

The Stackyard; named after its original use within the farm as a storage yard stacked with bales of hay and straw. Now a versatile event space with bar and kitchen, great indoor space and an outdoor yard which enjoys day-long sunshine and the rustic backdrop of our beautiful old Dutch Barns. The ideal venue for birthday parties, corporate get-togethers, baby namings and everything in-between...

Can we use this space for our wedding?

No. Our stunning Barn Venue is dedicated to Weddings; see [it's brochure and menus](#).
Wedding require extensive planning and on-the-day management, which is not the case for Stackyard Evening Parties.

We allow simple post-elopement evening parties in the Stackyard, which are in no way the same as a wedding. Like all our parties there is no event co-ordination and no access to the grounds for photographs.
